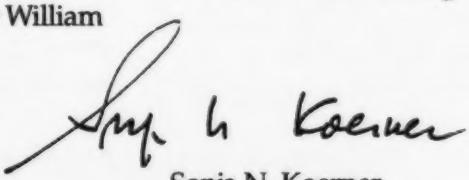
The year, 1987-1988, heralded the 25th anniversary of the Ontario Arts Council and introduced a range of new and innovative projects.

In addition to its base operating allocation from the Ministry of Culture and Communications, of $27.8 million, the council received a special grant of $2.25 million to be devoted to special initiatives over a two-year period. Out of this money, 12 programs have been introduced, enabling the Council to create additional assistance over a two-year span to artistic projects not normally within the Council's span of activity. Several programs are of special note. Working through the Ontario Federation of Labour, the Council brought together, for the first time, artists and the trade union movement. Artists and the Workplace, a program jointly created between Ontario artists and the labour union movement, will result in the co-production of artistic works within trade union environments. Another program will enable touring artists to improve their marketing techniques for potential buyers through the use of video. This special funding also allows for extended residencies, rental of studio space and travel grants for visual artists, extra training courses and full-term residencies for artists in the school system, and additional professional training for artists in all disciplines.

The past year also introduced three new Board Members to the Council: lawyer William Charlton of Hamilton, Radio-Canada executive Mina Grossman of Windsor, and Dr. Thomas Jamieson of Niagara-on-the-Lake. Appointments of new Members are made by the Lieutenant-Governor-In-Council for three-year terms, on a revolving basis.

As it moves into its 25th anniversary, the Council is thinking more to the future than dwelling on its past. The Five-Year Strategic Plan, initiated in 1987, was conducted in a global assessment exercise to position the arts in Ontario for the coming decades. Building on the individual program evaluations already underway, the Council Board and staff, in rigorous consultation with the arts community across Ontario, conducted an extensive survey of both the arts activity and arts environment throughout the province. Together they identified new directions and potential as well as noting track-record and achievements. The findings and recommendations of the Five-Year Strategic Plan, embodied in a document called *Moving Forward*, was submitted to the government in March of 1988.

As we enter our 25th anniversary, and embark on the next twenty-five years, it is with a real sense of joy at what the artists of this province have achieved since the Council began. It is the artists whom we salute and celebrate. And it is the concerns of these artists and their continuing welfare which we address in the Five-Year Strategic Plan.



Sonja N. Koerner
Chair

L'année 1987-1988 a été celle du 25e anniversaire du Conseil des arts de l'Ontario, marquée par le lancement de toute une gamme de projets originaux.

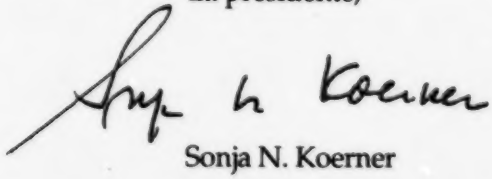
Outre la subvention de fonctionnement de base de 27,8 millions de dollars qui lui a été octroyée par le ministère de la Culture et des Communications, le CAO a reçu une subvention extraordinaire de 2,25 millions de dollars, à consacrer à des projets spéciaux sur une période de deux ans. Ces fonds ont permis au CAO de lancer 12 nouveaux programmes grâce auxquels il peut accorder pendant deux ans une aide supplémentaire pour des projets artistiques qui, normalement, ne feraient pas partie de sa sphère d'activités. Plusieurs de ces programmes méritent d'être mentionnés. Ainsi, par l'intermédiaire de la Fédération du travail de l'Ontario, le CAO a réuni pour la première fois les artistes et le mouvement syndical. « Les artistes et le milieu de travail », programme lancé conjointement par les artistes et le mouvement syndical de l'Ontario, permettra la coproduction d'œuvres artistiques dans les milieux syndicaux. Un autre programme aidera les artistes en tournée à améliorer, grâce à la vidéo, leurs techniques de commercialisation auprès d'éventuels acheteurs. Enfin, le CAO peut désormais subventionner des stages en résidence prolongés, la location d'ateliers et des voyages pour les artistes plasticiens, des cours de formation supplémentaires et des affectations en résidence à temps plein pour les artistes en milieu scolaire, ainsi qu'une formation professionnelle supplémentaire pour les artistes de toutes les disciplines.

Le conseil d'administration a accueilli trois nouveaux membres au cours de la dernière année : l'avocat William Charlton, d'Hamilton, la directrice des services français de la Société Radio-Canada à Windsor, Mina Grossman, et le docteur Thomas Jamieson, de Niagara-on-the-Lake. Le lieutenant-gouverneur en conseil nomme chaque année de nouveaux membres du conseil pour des périodes de trois ans.

À la veille de son 25e anniversaire, le CAO se tourne résolument vers l'avenir. Le plan stratégique quinquennal, amorcé en 1987, a été pour lui une tentative d'évaluation globale destinée à définir la position des arts sur la scène ontarienne pour les prochaines décennies. À partir des évaluations des programmes en cours — et en étroite collaboration avec la collectivité artistique de toute la province — le conseil d'administration et le personnel du CAO ont procédé à un examen exhaustif de toutes les activités et de tous les milieux artistiques ontariens. Grâce à cette collaboration, ils ont pu définir de nouvelles orientations et diverses possibilités, tout en évaluant aussi les réalisations passées. Les constatations et les recommandations du plan stratégique quinquennal ont été présentées au gouvernement au mois de mars 1988, dans un document intitulé *Bâtir l'avenir*.

Au moment où nous allons célébrer notre 25e anniversaire, en ce début de notre deuxième quart de siècle, nous sommes très heureux de ce que les artistes de la province ont réussi à accomplir depuis la fondation du CAO. Ce sont nos artistes que nous saluons et que nous fêtons, et c'est le désir de répondre à leurs besoins et de continuer d'assurer leur bien-être qui nous inspire dans notre plan stratégique quinquennal.

La présidente,



Sonja N. Koerner

The Dance Office of the Ontario Arts Council provides financial assistance and consultation to encourage the development of Canadian dance and dancers through support of Ontario-based professional, non-profit dance companies and service organizations, new dance works series, and professional training programs. Both classical and contemporary styles are reflected among the creative individuals and organizations within Ontario's dance community.

As the demand for dance continues to grow, Ontario citizens will also benefit from performance opportunities which the OAC helps to support through grants to individual choreographers.

The Dance office also extends support to other disciplines: mime, puppetry and multidisciplinary projects.

Le Bureau de la danse du Conseil des arts de l'Ontario accorde une aide financière et donne des conseils afin d'encourager le développement de la danse et des danseurs au Canada grâce à l'appui qu'il donne aux compagnies de danse et aux organismes de soutien sans but lucratif, professionnels et installés en Ontario, aux organismes d'enseignement de la danse, aux programmes d'œuvres chorégraphiques nouvelles et de formation professionnelle. Les styles classiques et contemporains sont tous deux représentés chez les créateurs et les organismes qui composent le milieu de la danse en Ontario.

Comme la danse continue de connaître une faveur croissante, les citoyens de l'Ontario pourront assister aux spectacles de plus en plus nombreux que le CAO subventionne par l'entremise de bourses accordées aux chorégraphes.

Le Bureau de la danse offre également de l'aide à d'autres disciplines : mime, marionnettes et projets multidisciplinaires.

The Film, Photography and Video Office of the Ontario Arts Council provides grants to encourage the development of talented filmmakers, photographers, screenwriters, and video and electronic media artists. Non-profit organizations, festivals, seminars or professional development programs serving the needs of artists working in these disciplines also receive assistance.

Artists who use contemporary technologies as their media contribute greatly to our understanding and appreciation of a rapidly changing world. Public support of artistic explorations of these media has been growing, enabling Ontario artists to make substantial contributions to the international development of these forms, and providing Ontario citizens with expressions of their own contemporary cultural realities.

Le Bureau du film, de la photographie et de la vidéo du Conseil des arts de l'Ontario accorde des subventions afin d'encourager les cinéastes, photographes, scénaristes, vidéastes et médiatistes de talent. Les organismes sans but lucratif, les festivals, les séminaires et les programmes de perfectionnement professionnel qui répondent aux besoins des artistes travaillant dans ces disciplines bénéficient également d'une aide financière.

Les artistes qui se servent de la technologie contemporaine comme mode d'expression nous aident à mieux comprendre les mutations rapides de notre monde. L'aide accordée au titre des explorations artistiques dans ces médias ne cesse d'augmenter ; elle permet ainsi aux artistes de l'Ontario de contribuer de façon importante au développement de ces formes artistiques sur le plan international. Les citoyens de l'Ontario disposent de cette façon d'œuvres exprimant les faits de la culture contemporaine.

Le Bureau franco-ontarien du Conseil des arts de l'Ontario accorde des subventions afin d'encourager et d'appuyer des programmes visant à faire progresser les arts et les artistes en Ontario, à l'exemple des autres bureaux du CAO, mais en s'intéressant plus particulièrement aux besoins et aux possibilités de la communauté artistique franco-ontarienne. Il accorde par exemple une aide à certains organismes, notamment les théâtres, les centres culturels, les galeries d'art et les maisons d'édition, de même qu'aux artistes en arts plastiques, aux chansonniers, aux auteurs dramatiques et aux écrivains.

La culture franco-ontarienne est présente partout dans la communauté artistique ontarienne. Les programmes du Bureau franco-ontarien favorisent l'accès à ce patrimoine culturel authentique.

The Franco-Ontarian Office of the Ontario Arts Council provides grants to encourage and support programs for the development of artists and the arts in Ontario paralleling those offered by the other offices of the OAC, but with particular emphasis on the needs and opportunities of the Franco-Ontarian artistic community. These include assistance to organizations such as theatres, cultural centres, art galleries, and publishing houses, and to visual artists, chansonniers, playwrights and writers.

Across the province, Franco-Ontarian culture is reflected throughout Ontario's artistic community; and these programs help to provide access to this authentic cultural heritage.

The Literature Office of the Ontario Arts Council provides grants to encourage and support Ontario writers, poets, book publishers, literary and arts periodicals, and literary organizations in the creation, publication, promotion and distribution of literature in Ontario. These grants contribute to our understanding of how we live, as well as to the literary arts themselves.

During the past twenty-five years, Canadian writing and publishing have grown dramatically, so that today we have a literary heritage that corresponds to the complexity of our national life.

Le Bureau de la littérature du Conseil des arts de l'Ontario accorde des subventions afin d'encourager et d'appuyer les écrivains, les poètes, les éditeurs, les sociétés littéraires et les périodiques dans leurs activités de création, d'édition, de promotion et de distribution d'œuvres littéraires en Ontario. Grâce à ces subventions, nous pouvons mieux comprendre comment nous vivons et mieux comprendre l'art littéraire en soi.

Ces vingt-cinq dernières années, le monde de l'écriture et de l'édition au Canada a connu une croissance phénoménale, si bien que nous possédons maintenant un patrimoine littéraire qui témoigne de la complexité de notre vie nationale.

The Music Office of the Ontario Arts Council provides grants to encourage the development of Canadian musicians and Canadian musical expression, with particular concern for Ontario artists and audiences; grants for the purpose of commissioning new music; and special awards for the performance of contemporary music.

Music is enjoyed in live performance in Ontario's concert halls, theatres, libraries, school gymnasiums, churches, shopping malls, museums and galleries. Increasingly, these performances are given by soloists, small ensembles, choirs and orchestras resident in Ontario. The Music Office encourages the development of excellence at all levels, and helps to ensure that our Canadian creative talent will have a voice in our rich musical environment.

Le Bureau de la musique du Conseil des arts de l'Ontario accorde des subventions aux fins suivantes : encourager le perfectionnement des musiciens canadiens et favoriser le développement de l'expression musicale au Canada, en s'attachant surtout aux artistes et au public de l'Ontario ; commander de nouvelles œuvres musicales ; accorder des bourses spéciales en vue de l'exécution d'œuvres musicales contemporaines.

Le public peut entendre des musiciens dans des salles de concert, des théâtres, des bibliothèques, des gymnases d'écoles, des églises, des centres commerciaux, des musées et des galeries d'art. Ces concerts sont de plus en plus donnés par des solistes, de petits ensembles, des chœurs et des orchestres installés en Ontario. Le Bureau de la musique encourage la poursuite de l'excellence à tous les niveaux et veille à ce que le talent créateur des Canadiens se fasse entendre dans notre milieu musical.

The Theatre Office of the Ontario Arts Council provides financial assistance and consultation to support and encourage the work of Ontario-based non-profit professional theatre companies.

Regional theatre, major summer festivals and Toronto's position at the centre of Anglophone theatre development in Canada, all combine to maintain theatre in a leadership capacity in the cultural life of Ontario. Some forty companies throughout the province, numerous independent producers and many internationally recognized Ontario playwrights provide the citizens of Ontario with a richness and variety of theatre-going opportunities.

Le Bureau du théâtre du Conseil des arts de l'Ontario offre une aide financière et des conseils afin d'appuyer et d'encourager le travail des troupes de théâtre professionnelles sans but lucratif installées en Ontario.

Les théâtres régionaux, les grands festivals d'été et le fait que Toronto se situe au cœur de l'évolution du théâtre de langue anglaise au Canada sont autant de facteurs qui permettent à l'art dramatique de continuer à tenir un rôle de premier plan dans la vie culturelle de l'Ontario. C'est à quelque quarante compagnies actives de part et d'autre de la province ainsi qu'à de nombreux producteurs indépendants et à des dramaturges ontariens de réputation internationale que les citoyens de l'Ontario sont redevables de la richesse et de la variété qui s'offrent à eux dans le domaine du théâtre.

**PLUS ONE PROGRAM / PROGRAMME « PLUS ONE » (11)**

The Ontario Arts Council initiated the Plus One Program in order to provide assistance with increased costs associated with first-time productions of new Canadian plays by Ontario-based, non-profit theatre companies which receive operating grants from the Theatre Office of the Council. The aim of the program is to allow an increased rehearsal period that will benefit new plays beyond a "traditional" three-week period.

Ce programme sert à couvrir les frais croissants de production d'œuvres canadiennes présentées pour la première fois par des compagnies de théâtre ontariennes sans but lucratif qui reçoivent des subventions de fonctionnement du Bureau du théâtre du Conseil des arts de l'Ontario. Le programme vise à augmenter le nombre de semaines de répétitions au-delà des trois semaines « traditionnelles », ce qui serait avantageux pour la production de nouvelles œuvres.

The Touring Office of the Ontario Arts Council helps bring together Ontario community sponsors and touring performers, to develop new touring opportunities for the performing arts throughout Ontario, and to provide Ontario citizens with opportunities to enjoy quality professional concerts in their own communities. The Office's touring consultants also provide Ontario communities with bilingual advice, guidance, professional counsel and on-the-spot help in all areas related to touring.

Community volunteer touring sponsors are the backbone of tour development in the province and together with the OAC have assisted in presenting performances featuring more than 3,000 performers in close to 200 Ontario communities.

Le Bureau des tournées du Conseil des arts de l'Ontario aide à mettre en rapport les diffuseurs locaux et les artistes qui font des tournées afin d'accroître le nombre de tournées partout en Ontario et d'offrir à la population de la province l'occasion d'assister à des concerts professionnels de qualité dans leur propre localité. Les conseillers en tournée bilingues du Bureau des tournées conseillent les collectivités et leur rendent visite afin de répondre à leurs besoins en matière de tournées.

Les diffuseurs bénévoles locaux forment le pivot du monde des tournées dans la province. Grâce à la collaboration du CAO, ils ont permis à plus de 3 000 artistes de se produire dans près de 200 collectivités de la province.

The Visual Arts Office of the Ontario Arts Council provides grants towards primary creation, exhibition and documentation services for artists and organizations, scholarship, training and criticism in the visual arts.

The individual professional artist is central to all that the Visual Arts Office does. The office's priority is to support those artists, and the organizations which are most involved in supporting them. Such assistance benefits not only the artists, but contributes to the cultural enrichment of Ontario and its citizens.

Le Bureau des arts plastiques du Conseil des arts de l'Ontario accorde des subventions au titre de la création originale, des expositions, des services de documentation à la disposition des artistes et des organismes, ainsi que pour l'analyse, la formation et la critique dans le domaine des arts plastiques.

L'artiste professionnel se trouve au centre de toutes les activités du Bureau des arts plastiques. La principale mission du Bureau est d'appuyer ces artistes et les organismes qui les aident le plus. L'aide du Bureau profite aux artistes et favorise également l'enrichissement culturel de l'Ontario et de sa population.

The Ontario Arts Council is involved with a variety of programs in addition to the awarding of grants. Some of these programs are administered through the appropriate discipline office, others are undertaken by general administration or information services. The Council also administers endowment funds. It consults regularly with advisors throughout the province in evaluating arts achievement.

Outre l'octroi de subventions, le Conseil des arts de l'Ontario est également chargé de la mise en œuvre de toute une gamme de programmes. Certains projets sont administrés par le bureau pertinent, d'autres le sont par les services administratifs ou d'information. Le CAO administre également des fondations. Aux fins d'évaluer les réalisations artistiques, il consulte régulièrement des conseillers à travers la province.

To the Province of Ontario Council for the Arts and to the Minister of Culture and Communications

I have examined the balance sheet of the Province of Ontario Council for the Arts as at March 31, 1988 and the statement of income, expenditure and deficit for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Council as at March 31, 1988 and the results of its operations for the year then ended in accordance with the accounting policy described in note 1 to the financial statements applied on a basis consistent with that of the preceding year.

Au Conseil des arts de la province de l'Ontario et à la ministre de la Culture et des Communications

J'ai vérifié le bilan au 31 mars 1988 du Conseil des arts de la province de l'Ontario, de même que l'état des résultats et du déficit de l'exercice terminé à cette date. Ma vérification a été effectuée conformément aux normes de vérification généralement reconnues, et a comporté par conséquent les sondages et autres procédés que j'ai jugés nécessaires dans les circonstances.

À mon avis, ces états financiers présentent fidèlement la situation financière du Conseil au 31 mars 1988 et les résultats de ses activités pour l'exercice terminé à cette date selon les principes comptables décrits à la note 1 aux états financiers et appliqués d'une manière compatible avec celle de l'exercice précédent.
